ORDER:

In the reference 1st read above, the Chief Engineer, Hydrology has submitted proposals for issue of No Objection Certificate in respect of M/s. Kandaleru Power Company Limited for establishing Mini Hydel Scheme of Capacity (3x3)= 9 MW at the Head Regulator of Satya Sai Ganga Canal, Kandaleru Reservoir, Rapur(V), Nellore District, along with the recommendations of the Standing Committee meeting held on 10.01.2014, duly mentioning certain conditions therein, in addition to the General and Technical Conditions issued vide reference 2nd read above.

2. Government after careful examination of the proposal of Chief Engineer, Hydrology hereby issue “No Objection Certificate” to M/s. Kandaleru Power Company Limited for establishing Mini Hydel Scheme of Capacity (3x3)= 9 MW at the Head Regulator of Satya Sai Ganga Canal, Kandaleru Reservoir, Rapur(V), Nellore District, subject to the following conditions in addition to the General and Technical Conditions already issued vide Para-5 in G.O.Ms.No.165, I&CAD(PW:Reforms) Department, dated:11.07.2007:-

- i) All the expenditure incurred for Power blocks shall be included for reimbursement as decided by the Chief Engineer concerned or by the Government. This aspect shall be finalised before entering into agreement.
- ii) The balance works as required have to be carried out by the agencies with the approval of Chief Engineer, Central Designs Organization.
- iii) The issue of Royalty related to the payment to the Department will be as per Government Guidelines (or) Orders from time to time.
- iv) Developers shall bring latest technology and maximise output subject to the Hydrological factors and environmental flow factors.
- v) The Chief Engineer, Central Designs Organization shall ensure that approval for designs is given in (15) days time, failing which the developer will be permitted to go ahead for execution as deemed approval.

P.T.O.,

:: 2 ::

- vi) The royalty charges on water as applicable would be realized by the I&CAD on monthly basis.
- vii) No claims or damages shall lie with the Government for the cancellation/suspension of N.O.C. for the reasons of River conservancy/floods management etc.
- viii) The Developer has to commence the work within (6) months from the date of issue of N.O.C. and complete the Scheme within two years of N.O.C. failing which N.O.C. will be cancelled automatically.

3. The Engineer-in-Chief(Irrigation), Hyderabad shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
